Steering Wheel used by the Legend Graham Hill

Steering wheel used by the Graham Hill to clinch the F1 World Championship in 1962 and 1968, came back to Bourne on Saturday

21st October.

The Trophy was presented to Bourne Civic Society in Baldocks mill, by The Owen Motoring Club, Mr Roger Tolley chairman. A group of members from Birmingham came to Bourne for the presentation and an evening with the BRM Association and the Owen family. After the evening meal we were entertained by Colin Crabbe and Mike Pilbeam.

Our Mission Statement

It is the aim of the Society to make sure that new developments are of the highest possible quality and developers are made aware of the issues surrounding their schemes. Good design is only possible through a full understanding of any scheme's environment and urban context. We seek to safeguard our existing heritage and the many listed buildings from demolition or neglect.
